

BMS Educational Trust
BMS ACADEMY
FOR PROFESSIONAL COURSES

Introduction:

BMS College of Engineering is the 1st private sector engineering college in India which was started in the year 1946 by the Founder Late Sri. B.M. Sreenivasaiah. Thereafter, his illustrious son Late Sri B.S. Narayan formed BMS Educational Trust which has established several prestigious educational institutions in the city of Bengaluru. At present more than 20,000 students are pursuing different courses in BMS Institutions. BMS Academy has been established under the guidance and leadership of Dr. B.S. Ragini Narayan, Donor Trustee, Member Secretary and Chairperson of BMS Educational Trust , Dr. P. Dayananda Pai, Life Trustee, BMS Educational Trust and Sri. Aviram Sharma, Trustee BMS Educational Trust.

BMS Academy for Professional Courses offers high class coaching to students who are willing to become Chartered Accountants (CA), Company Secretary (CS) and Cost Management Accountant (ICWA/CMA). The Academy runs the classes in academic collaboration with Trisha Classes (K2 Learning) in the heart of Bengaluru City. BMS Academy aims to bridge the gap and increase the success ratio by providing high class training, coaching, guidance and support to students for clearing the exams. BMS Academy teachers are practicing professional and highly qualified in their area of expertise. These faculty members bring a completely different dimensions of teaching and make learning a simple process through case studies, simulation activities and test series. The infrastructure of the Academy is world class with all modern teaching aids and well stocked library. BMS Academy is centrally located in the heart of garden city which is very well connected from all parts of the city through bus and metro.

The Academic and administrative affairs of the academy is managed by Steering committee members (SCM) appointed by BMS Educational Trust. The SCM members are as follows:

Infrastructure:

BMS Academy is equipped with the latest technology and facilities to enhance learning. We have a well-stocked library, ICT enabled classrooms and computer lab. We also provide mobile app, study material, notes, and online resources to all our students.

Teaching Methodology:

We have a unique teaching methodology that focuses on conceptual understanding and application. We use a combination of lectures, interactive sessions, and group discussions to help students learn effectively. Our faculty members provide personalized attention and guidance to students, helping them overcome their weaknesses and build their strengths.

Mock Tests and Evaluation:

We believe that regular evaluation is essential for effective learning. We conduct regular mock tests to assess our students' progress and identify areas for improvement. We also provide detailed feedback and analysis to help students understand their mistakes and work on them.

Admissions:

We have a simple and transparent admission process. To enrol in our courses, students need to meet the eligibility criteria and pay the course fee. We also offer scholarships to deserving students.
